

Health and Safety

Adverse weather conditions

Policy

At Cherry Blossom Nursery and Preschool we take every reasonable effort to ensure that business carries on as usual. However in extreme weather conditions we make a judgement as to whether it is safe to open. This is taking into account the safety and welfare of staff, children and parents travelling to and returning home later.

Our decisions are never taken lightly and it is therefore agreed that we are not liable for times or fees owing due to the closure.
